love & passion.*

WHY SHOULD YOU OFFER ST GERMAINS ESTATE OLIVE OIL TO YOUR VALUED CLIENTS?

- ✓ Our Olives are grown on our farm in Shepperton just north of Melbourne
- ✓ Our farm is Australian owned, this means you are offering a product that is Australian owned and grown
- ✓ The Olives are harvested early which means we produce a smaller amount of very high quality oil
- ✓ Our oil is produced the old fashioned way, harvested and immediately cold pressed - giving it the most incredible taste and ensuring a longer shelf life
- ✓ Our oil is pure extra virgin olive oil – not filtered or blended with any other oil
- ✓ Free from preservatives
- ✓ So good you can drink it – people often do – they just won't be able to get enough of it
- ✓ Only made available through boutique outlets
- ✓ The investment involved allows you to offer an exceptional oil at great value to your clients and at the same time making great profit for you.
